## Lamb Of God, A Warning

I'm a monster so don't walk my way.

Don't trust my smile my teeth are like knives.

I'll drag you down & Don't laugh at my jokes- the punchline is murder.

Don't enjoy my touch, every caress hides a chokehold.

I'm only happy when I've ruined everything I see.

Believe everything you've ever heard about me- suck it up.

If you see me coming don't stop, just turn & Don't way.

I will not lie about what I have done, I will not lie about what I will do to you, the sweat of my exertion is pure poison, I'm hell.
