

Lambretta, Blow My Fuses

I'm a girl that knows
exactly what I need
Everytime I go out
people ask me 'what do you want to be?'

I'm gonna be a pop star
and travel round the world
and don't you try stop me

You got to
blow up all my fuses
before I get to the top
You got to
blow up all my fuses
before I stop

I'm seventeen and I wonder what
I've done so far
I lost everything that I had
in the backseat of a car

I'm going up in pieces
If I have to stay around
So I'm gonna be a pop star

You got to
blow up all my fuses
before I get to the top
You got to
