

# Lambretta, Cry In My Arms

How could you lie to me now when i'm weak, now when wee falling too deep  
Thought you were perfect but nobody is, try to forget with a kiss  
Hate to feel this way i feel

Cry in my arms, won you cry in my arms  
Cry in my arms, won you cry in my arms, in my arms

It&#oacute; complicated to love you my friend, why do we always pretend  
You know that it&#oacute; time for us to say goodbye, but our love is too strong to die  
Hate to feel this way I feel

Cry in my arms, won't you cry in my arms  
Cry in my arms, won you cry in my arms, in my arms, in my arms

AAAAAAA

Cry in my arms, won you cry in my arms  
Cry in my arms, won you cry in my arms, in my arms
