

# Lament, Abc

Want me in your steps to hide my own concepts.  
And everyone around you very fast to forget that you  
actually have no clue of what's going on.  
Furthermore you talk about dusty tales of well known clowns,  
stories about thieves of sound, I DON'T CARE!

because:  
I don't want to be another  
and I think you're a bother

I will lay it on the line, I've wasted far too long my...  
...time is running out!!!...and you don't care.  
Every try to calm me down will fail...  
I break with you!  
I'll never walk in your boots!

because:  
I don't want to be another  
so...  
TAKE YOUR WRONG TONES  
OUT OF ME!
