

# Lament, Chains of Darkness

They promise freedom but they themselves  
Are slaves of corruption  
With their mouths they praise God  
They preach the name of Jesus and his love  
Some want to pervert the gospel of Christ  
Changing the word of God for their convenience

They are wells without water  
Lies and blasphemies

These sects are born in such a manner  
That they draw man away from the truth

They ask money for healing, prosperity  
Prostitution of the gospel  
They listen to seducing spirits  
And doctrines of demons  
They preach false doctrines

Disguising themselves as Christians but they are  
False prophets that introduce destructive heresy

Talking like brute beasts made to be taken and destroyed  
And shall utterly perish in their own corruption  
For it would have been better for them not to have known Jesus

They are like a dog returning to his own vomit again

Now the time has come to discern the schemes  
Of the devil because Jesus is the only way  
And salvation is free
