

# Lament, Sacrifice of Righteousness

En el pasado, cuando el hombre viva bajo la ley  
Para recibir perd&acute;n por sus pecados, ofrecen sacrificio de animales a Dios  
Algunos mataban y daban gloria a otros dioses

Others murdered and worshipped demons  
Offering the animal blood  
Everyday, all over the world  
Human sacrifices are offered to Satan

The motive is to serve him and obtain power  
But now it's not necessary to kill to receive forgiveness  
Blood streamed from the wounds  
Down over the cross where a mutilated body

Was nailed and hung  
Draining the life from a righteous  
And innocent man  
Named Jesus

He is Jesus Christ, His sacrifice is for all

It was sufficient to demolish the sin  
That existed between God and man  
Giving His own life for us out of love

Showing this way that the death  
Of Jesus was the biggest and most  
Important sacrifice in history of humanity

Everyday the mercies of God are new  
Because of the death of Christ

And now the glory is Christ's  
Who was raised from the dead  
And now is seated at the right  
Hand of God
