

Lamya, Judas Kiss (Brutus Diss)

All of your moonlight whispers
Counterfeit
Counterfeit love

Oh hello Brutus - said you were my friend
But in the end you were
Takin' the piss
Mistakenly I mistook this
For something real

You dress me up in your lies
What a beautiful fabrication it was
And it is so sad to say
I wear it well
I change my face when i'm told
From nemesis to genesis of
A good girl
Sugar, sugar, honey, honey
If you're good
You get to be
Girl with the most
The girl with the most candy

CHORUS
But it's only
Moonlight whispers
Counterfeit
Counterfeit love
Then you, you give me
You give me that Judas Kiss oh
Could you hurt me more than this oh
Won't you tell it like it is, oh

When I saw your
Then I saw your face
Now I'm a disbeliever
Your disloyalty
3-faced, 2-faced
Du, Du Duplicity
Do you think I'm blind
To your sleight of hand
Too stupid to understand
The master plan

When I ask you questions
You evade me
But my intuition plagues me
And I think - I think that this time
I won't believe you

CHORUS
All your Moonlight whispers
Counterfeit
Counterfeit love
Then you, you give me
You give me that Judas Kiss oh
Could you hurt me more than this oh
Won't you tell it like it is, oh

BRIDGE
I change my face
When I'm told
Such a good girl
Sugar, sugar

You'll never change
Always the same
I don't deserve this
Oh you, oh you smile in my face
You give me that Judas kissin'
But there must be somethin' missin'

Like a heart
Like a soul
How could you be
How could you be so cold

CHORUS

All your Moonlight whispers
Counterfeit
Counterfeit love
Then you, you give me
You give me that Judas Kiss oh
Could you hurt me more than this oh
Won't you tell it like it is

Oh, oh, I don't think you're ever gonna change
I don't deserve this
You give me that Judas kiss, oh
Could you hurt me more than this
Tell it like it is, oh

You give me that Judas kiss, oh
Could you hurt me more than this
Tell it like it is, oh
I don't deserve this
