

Lana Del Rey, Doin' Time

Summertime and the livin's easy
Bradley's on the microphone with Ras-MG
All the people in the dance will agree that we're well qualified to represent the LBC
Me and Louie we're gonna run to the party and dance till the rhythm
it gets harder

When the music hits you shall feel no pain
Take a spiff of sinsemilla make it run through your brain
Me and Sublime we sound 1 - the same
Two lions into the jungle that they just can't tame
So bring all your people
And bring it
You better take your lovin and fling it
You better bring your lovin home
Come and love your maximo
24/7 say me can't sink so low

Ba da ba bye bye
Ba da ba bye bye
Ba da ba bye bye
Ba da ba bye bye

So take this veil from off my eyes
My burning sun will some day rise
And what am I gonna be doin for a wife
I said I'm gonna play with myself
Show them now we've come off the shelf
Summertime and the livin's easy
Bradley's on the microphone with Ras-MG
All the people in the dance will agree that we're well qualified to represent the LBC
Me and Louie we're gonna run to the party and dance till the rhythm it gets harder

Evil
Evil
Tension
Tension
Hold her
Water

Evil come to tell you that she's evil most definitely
Evil, ornery scandalous and evil most definitely
The tension is growing hotter I'd like to hold her head underwater
Summertime and the livin's easy
Bradley's on the microphone with Ras-MG
All the people in the dance will agree that we're well qualified to represent the LBC
Me and Louie everybody run to the party and dance till the rhythm it gets harder

This is Sublime
Hey
This is Sublime
I'm a lion
