

# Lana Del Rey, Love

Look at you kids with your vintage music  
Comin' through satellites while cruisin'  
You're part of the past, but now you're the future  
Signals crossing can get confusing

It's enough just to make you feel crazy  
Crazy  
Crazy  
Sometimes  
It's enough just to make you feel crazy

You get ready  
You get all dressed up  
To go nowhere in particular  
Back to work or the coffee shop  
Doesn't matter cause it's enough  
To be young  
And in love  
To be young  
And in love

Look at you kids  
You know you're the coolest  
The world is yours and you can't refuse it  
Seen so much, you could get the blues  
But that don't mean that you should abuse it

It's enough just to make go crazy  
Crazy  
Crazy  
I know it's enough just to make you go crazy  
Crazy  
Crazy

But you get ready  
You get all dressed up  
To go nowhere in particular  
Back to work or the coffee shop  
It don't matter because it's enough  
To be young and in love  
To be young  
And in love

Don't worry, baby  
Don't worry, baby

And it's enough just to make me go crazy  
Crazy  
Crazy  
It's enough just to make me go crazy  
Crazy  
Crazy

I get ready  
I get all dressed up  
To go nowhere in particular  
Doesn't matter if I'm not enough  
For the future or the things to come  
'Cause I'm young and in love

Don't worry, baby  
Don't worry, baby
