Lana Del Rey, Love

Look at you kids with your vintage music Comin' through satellites while cruisin' You're part of the past, but now you're the future Signals crossing can get confusing

It's enough just to make you feel crazy Crazy Crazy Sometimes It's enough just to make you feel crazy

You get ready
You get all dressed up
To go nowhere in particular
Back to work or the coffee shop
Doesn't matter cause it's enough
To be young
And in love
To be young
And in love

Look at you kids You know you're the coolest The world is yours and you can't refuse it Seen so much, you could get the blues But that don't mean that you should abuse it

It's enough just to make go crazy Crazy Crazy I know it's enough just to make you go crazy Crazy Crazy

But you get ready You get all dressed up To go nowhere in particular Back to work or the coffee shop It don't matter because it's enough To be young and in love To be young And in love

Don't worry, baby Don't worry, baby

And it's enough just to make me go crazy Crazy Crazy It's enough just to make me go crazy Crazy Crazy

I get ready
I get all dressed up
To go nowhere in particular
Doesn't matter if I'm not enough
For the future or the things to come
'Cause I'm young and in love

Don't worry, baby Don't worry, baby
