

Lana Del Rey, Love Song

in the car
in the car
in the backseat
I m your baby
we go fast
we go so fast
we don'e move
I believe in a place you take me
make you real proud of your baby
in your car I am a star
and I am burning through you
in your car I am a star
and I am burning through you

be my once in a lifetime
lying on your chest in my party dress
iu am a fucking mess, but I
thanks for the high ife
baby it's the best
passed the test and yes
no wi here with you and i
would like o thinkthat you would stick around
you know that I'd just die to make you proud
the taste, the touch, the way we love
it all comes down to make the sund of our love song

dream a dream
here's a scene
touch me anywhere cause I am your baby
grab my waist
don't waste any part
I believe tat you see me for who I am
so spill my clothes on the floot of your new car
is it safe /2x
to just be who we are?
is it safe /2x
to just be who we are?

be my once in a lifetime
lying on your chest in my party dress
iu am a fucking mess, but I
thanks for the high ife
baby it's the best
passed the test and yes
no wi here with you and i
would like o thinkthat you would stick around
you know that I'd just die to make you proud
the taste, the touch, the way we love
it all comes down to make the sund of our love song
