

# Lana Del Rey, Mariners Apartment Complex

you took my sadness out of context  
Marines Apartment Complex  
i ain't no candle in the wind

i am the bolt, the lightening, the thunder  
kind of girl who's gonna make you wonder  
who you are and who you've been?

and who I've been is with you on this beaches  
your venice bitch, you die-hard, your weakness  
maybe I could save you from your sins

so, kiss the sky and whisper to Jesus  
my, my, my you found this , you need this  
take a deep breath baby, let me in

you lose your way  
just take my hand  
you're lost at sea  
then I'll command your boat to me again  
don't look too far  
right where you are  
that's where I am

I'm your man  
I'm your man

they mistook my kindness for weakness  
I fucked up, I know that But Jesus  
can't girl just do the best she can

catch a wave and take in the sweetness  
think about it, the darkness, the deepness  
all the thing that make me who I am

am who I am is bit time believer  
the people can change  
but you don't have to leave her  
when everyone's talking  
you can make a stand

cause even in the dark I feel your resistance  
you can see can see my heart burning in the distance  
baby, baby. baby I'm your man

you lose your way  
just take my hand  
you're lost at sea  
then I'll command your boat to me again  
don't look too far  
right where you are  
that's where I am

I'm your man  
I'm your man
