

# Lana Del Rey, Off To The Races

My old man is a bad man  
But I can't deny the way he holds my hand  
And he grabs me, he has me by my heart  
He doesn't mind I have a Las Vegas past  
He doesn't mind I have an LA crass way about me  
He loves me with every beat of his cocaine heart

Swimming pool  
Glimmering darling  
White bikini off with my red nail polish  
Watch me in the swimming pool  
Bright blue ripples you  
Sit and sipping on your black crystal oh yeah

Light of my life, fire of my loins  
Be a good baby, do what I want  
Light of my life, fire of my loins  
Give me them gold coins  
Give me them coins

And I'm off to the races, races  
Of Bacardi chases  
Chasing me all over town  
Cause he knows I'm wasted, facing  
Time again on Reichard's island  
And I won't get out

Because I'm crazy, baby  
I need you to come here and save me  
I'm your little scarlett, starlet  
Singing in the garden,  
Kiss me on my open mouth

My old man is a tough man  
But he got a soul as sweet as blood red jam  
And he shows me, he knows me, every inch of my tar black soul  
He doesn't mind I have a flat broke down life  
In fact he says he thinks it's why he might like about me, admires me  
The way I roll like a rolling stone

Likes to watch me in the glass room, bathroom  
Chateau Marmont  
Slipping on my red dress, putting on my make up  
Glass full, perfume, cognac, lilac fume  
Says it feels like heaven to him  
Light of his life, fire of his loins  
Keep me forever, tell me you want me  
Light of your life, fire of your loins  
Tell me you want me, give me them coins

And I'm off to the races, races  
Of Bacardi chases  
Chasing me all over town  
Cause he knows I'm wasted, facing  
Time on Reichard's island  
And I won't get out

Because I'm crazy, baby  
I need you to come here and save me  
I'm your little scarlett, starlet  
Singing in the garden,  
Kiss me on my open mouth

Now I'm off to the races, laces

Leather on my waist is,  
Tight and I am falling down  
I can see your faces, shameless  
Cipriani's basement  
Love you, but I'm going down

God I'm so crazy, baby  
I'm sorry that I'm misbehaving  
I'm your little scarlett, starlet  
Queen of coney island  
Raising hell all over town  
Sorry about it

My old man is a thief  
And I'm gonna stay and pray with him til the end  
But I trust him  
The decision of a life, to watch overrise  
Take him anyway if you may  
I'm not afraid to say  
That I'd die without him  
Who else is gonna put up with me this way  
I need you, I breathe you, I'll never leave you  
They will rue the day I was alone without you

You're lying with your gold chain on  
Cigar of hanging from your lips  
I said hon' you never looked so beautiful  
As you do now my man

And I'm off to the races, races  
Ready set the game is  
Down and I'm going in  
To las vegas, pray us  
Cause he'll know how raises  
Honey it is time to spit  
Boy you're so crazy, baby  
I love you forever  
Not maybe  
You are my one true love  
You are my one true love
