## Landon Pigg, Great Companion

It's not that you lost a friend
I just need some time to lick my wounds
I'll be out of service for a little while
I'm sure I'll be up and running soon

He's just amateur these days Not used to dealing with this pain He's just amateur these days Never thought that he would see a girl away

And our history will never be erased You were a great companion And some memories will never ever fade So I love and so I hate

What we were I never knew nor did you That's exactly what you hated For three years you were confused And for three years, my intentions left unstated

And our history can never be erased You were a great companion And some memories will never ever fade So I love and so I hate

So this is the end..
Of an innocent era, an innocent era?

I didn't want you but I did it's never wrong but it is

And our history can never be erased You were a great companion And some memories will never fade away You were a great companion

And our history can never be erased You were a great companion And some memories will never ever ever fade
