

Lani Hall, Come What May

Wish I was your child
Hold me in your heart
We could love so free
And know we'd never part

But I'm not a child
And wishes are just child's play, my love
Now I'll never be afraid
Of who I am and who I'm not
Come what may

Wish I was a bird
I'd warm you with my wings
Safe from all the storms
you know true love can bring

But I'm not a bird
And wishes can just fly away, my love
Now I'll never be afraid
Of who I am and who I'm not
Come what may

Oh, I'm the moon
Shining in your eyes
And you're the stars, my love
Now we'll never be afraid
Of who we are and who we're not
Come what may
