

LANY, okay (w/ Julia Michaels)

i bought that pillow on the couch
cause it reminded me of the color of your wall
I thought you'd like it
I don't want this to be my last time in this apartment

you took a day and made some space for me to move in
said I could take the bottom drawer so that's what I did
you told me I was all you want tso now what's changed it

is it wrong to think your sadistic
I know you're sleeping perfect
while I'm over here hurting
I'm gonna be okay right /2x
I wish I could tell myself that at night
I'm gonna be okay right

don't check my phone
I know for sure you haven't called me
I fill my days whit stupid sit to keep me busy
instead of you I'm ending night whit whiskey

is it wrong to think your sadistic
I know you're sleeping perfect
while I'm over here hurting
I'm gonna be okay right /2x
I wish I could tell myself that at night
I'm gonna be okay right

if I go insane
I got you to balme, right?
at least that's what I tell myself at night
I'm gonna be okay right
I kinda knew this would hurt just a little to much
I kinda knew this would hurt just a little to much

is it wrong to think your sadistic
I know you're sleeping perfect
while I'm over here hurting
I'm gonna be okay right /2x
I wish I could tell myself that at night
I'm gonna be okay right
