

LANY, up to me

i think i'm fallin' in love with this new girl
she's got a nice place west of the 405
but i miss gettin' drunk with you from a paper bag
sometimes we drive up the coast on the weekends
and party with her cool friends at the Chateau Marmont
but i miss going nowhere with you
up and down fairfax

what hurts the most
is just how close we got to
to the life we dreamed
now i am doing everything without you

it was up to me
i'd be with you every night
it was up to me
i'd let you win every fight
but it wasn't up to me
u p to me*
