

# Lara Fabian, Surrender To Me

Is it that we've been together much too long  
The answer may not be in black and white  
We're always tryin' to prove who's right or wrong  
And now we're givin' up without a fight

But I know when you're gone  
I wish I held on  
So baby surrender to me  
There'll be no holding back now  
So baby surrender to me  
Tonight

I don't want our love  
To cause you so much pain  
If this is how it's gonna be  
I'll walk away  
Oh neither one of us  
Should ever say goodbye  
Let's forget about the past and who's to blame

Cause when this is all gone  
We'll wish we'd held on  
So baby surrender to me  
There'll be no holding back now  
So baby surrender to me  
Tonight

How could this love be in danger  
Used to be so good  
So right  
To think that faith could make us strangers  
Slowly in your arms  
Tonight

So baby surrender to me  
There'll be no holding back now  
So baby surrender to me  
Tonight

Oh baby surrender
