Lard, Faith Hope And Treachery

Disconnected, dysfunctional Soulmates with nobody else Sing a song for the New Ice Age Greed has made us lonely

Faith, Hope and Treachery Faith, Hope and Treachery Faith, Hope and Treachery Faith, Hope and Treachery

Children of the 80's Values shaped by Reagan greed Don't stick long with anything Going gets tough, change the channel and flee

In Out Twist Shout

Everyone's scared of everyone else 'Specially who they love the most No kind act goes unpunished Show you care just shows you're weak

So take 'em all for what they're worth Otherwise they'll get you first #1 must be preserved Friends aren't for keeps, they're for dessert

In Out Twist And Shout

Faith, Hope and Treachery Faith, Hope and Treachery Faith, Hope and Treachery Faith, Hope and Treachery

Years go by, get sick of games Warmth gets repressed just like hate Reagen children flunk out at love It's always someone else's fault

It's always someone else's fault It's always someone else's fault It's always someone else's fault Faith, Hope and Treachery
