

# Larger Than Life, Time Spent Sick

you led me to water  
then you let me drown  
I've come back who's sorry now?  
sorry I wasted your time  
time spent sick and all alone  
so I picked you up and took you home  
keep in mind  
that I saved you this time

so sad that it's such a big part of you  
without it I wonder where you'd be  
better off then you are now  
you know its true  
true and to your self, so lazy

so sure yet so phoney  
now bored and left lonely  
I still see you  
every once in awhile  
sunken eyes, twisted mind,  
slack jawed, broken smile  
I wave to you  
and you walk on by  
a slap in the face  
a good kick in the ass  
it's been coming to you  
for a long time past  
past that now  
I'm free to move on with my life
