

# Lari White, Always And Forever

(Rod Temperton)

Always and forever, each moment with you  
Is just like a dream to me, that somehow came true  
And I know tomorrow, will still be the same  
'cause of we've got a life of love  
That won't ever change and  
Every day, love me your own, special way  
Melt all my heart away, with a smile  
Take time to tell me, you really care  
And we'll stand tomorrow, together (always forever love you)  
I'll always love, forever (always forever love you) forever

There'll always be sunshine, when I look at you  
Something I can't explain, just the thing that you do  
And if you get lonely, phone me and take

A second to give to me, that magic you make and

Every day, love me your own special way  
Melt all my heart away, with a smile  
Take time to tell me, you really care  
And we'll stand tomorrow, together (always forever love you)  
I'll always love you  
Ever; ever; loving you, is the thing that I plan  
For a very long time (always forever love you)  
Me and you, you and me, be as one  
Love is together  
Loving you  
Forever, forever, forever  
Ever love you  
Ever and a day, ever and a day
