

# Lari White, One More Time

I know  
You're sneakin' out the back door taking it down the street  
And I know  
You're thinking that you got some little secret up your sleeve  
But I know  
You'll be back around with your hat twisted in your hand  
Beggin' me please  
And I bet I let you in again 'cause it's just  
One more drop in the bucket  
One more tear I've cried  
One more think I love to hate about you  
One more m,m,m, let it slide  
That's the way you do me but when you do it to me  
I'm beggin' you to do it to me one more time

Now I know  
You only ask for trouble takin' up with a ladies man  
But you know  
Just the thing to say when the spit really hits the fan  
Lord knows  
I'm sleepin' with the devil and there's gonna be some hell to pay  
But you'll find a way  
Of making me believe that baby it's just

One more drop in the bucket  
One more tear I've cried  
One more think I love to hate about you  
One more m,m,m, let it slide  
That's the way you do me but when you do it to me  
I'm beggin' you to do it to me one more time

You spend my money til it's gone  
But then you rock me all night long  
The way you hurt me is a crime  
The way you love me is so fine  
Lord you make me crazy but when you do me baby  
I'm beggin' you to do it to me one more time

One more drop in the bucket  
One more tear I've cried  
One more think I love to hate about you  
One more m,m,m, let it slide  
That's the way you do me but when you do it to me  
I'm beggin' you to do it to me one more time
