

Lari White, Something Blue

(Lari White/Chuck Cannon)

Something old, something new
Something borrowed, something blue
It was the perfect wedding day
Band of gold, dress of white
Handsome groom, blushing bride
Pretty pictures in this album I saved

Now, I fight back the tears
Looking back through the years
Back to when I was your one and only one
But your heart wasn't true
You found someone new
Now, look what you've gone and undone

Our love is something old
Her kiss is something new
And now we live on borrowed time
'Cause all that's left is something blue
All that's left is something blue

Our love is something old
Her kiss is something new
And now we live on borrowed time
'Cause all that's left is something blue
All that's left is something blue

Something old, something new
Something borrowed, something blue
