

Larissa, I Do Both Jay And Jane

I met a boy his name was Jay he was so fine
I met a girl her name was Jane she wanted to be mine
I met a boy his name was Jay he was the one
I met a girl her name was Jane she wanted to have fun
He had a vision of things that I needed
She understood how a woman should be treated
I've got a decision which one should I choose
When it comes to Jay and Jane there's just no way to lose

I do both Jay & Jane, they make me feel the same
There's no shame to my game
I do both Jay & Jane
I do both Jay & Jane
They make me feel the same
There's no shame to my game
I do both Jay & Jane
I do both Jay & Jane

Jane is sweet like honey, the taste I'm teasing
She knows how to hit the spot, her touch is pleasing
Jay is strong like brandy, the strength I'm feeling
He knows how to make me hot, his heat is healing babe
He is a special man long, rough, and rugged
She is a diamond she shines like a nugget
I've got to have them both you just don't understand
Sometimes I call on Jane, sometimes I need a man

I do both Jay & Jane...(8x)

Jay , jane (like 30x)

i do both Jay and jane (2x)
