

# Larrikin Love, Happy As Annie

On September 3rd 2003

I was softly touched by a warm summer breeze  
There were blue tits flocking and swerving  
My accuracy is quite unnerving

I stole into a burnt, orange field  
Which once was green, but lost its zeal  
To prance and dance and sing around  
Which is not condoned in the centre of town

Children please beware!  
I&#039;m choked with fear  
Oh children please beware!  
I&#039;m choked with fear  
(repeat)

And as I crunched those crispy leaves  
I walked towards a shaded tree  
To find a young girl lying there  
Drifting off without a care

Her face was covered by a straw hat  
&#039;Happy as Larry&#039; and all of that  
When I shouted out to wake her up  
She was skipping school in the burning hot

Children please beware!  
I&#039;m choked with fear  
Oh children please beware!  
I&#039;m choked with fear  
(repeat)

And as I tried to get her to speak  
I realised that she was not asleep  
I moved her hat to find that her face was grey  
Her knickers wrapped around her ankles  
It&#039;s not funny!

Children please beware!  
I&#039;m choked with fear  
Oh children please beware!  
I&#039;m choked with fear  
(repeat)

Swamped with fear...  
Drown in fear...
