

# Larry Williams, Bony Moronie

I got a girl named Bony Moronie  
She's as skinny as a stick of macaronie.  
Oughta see her rock n roll with her blue jeans on  
She's not very fat, just skin and bone.  
But I love her, and she loves me  
Oh how happy now we can be  
Makin' love underneath the appletree...

Well I told her mama and her papa too,  
Just exactly what I wanna do  
I wanna get married on a night in June  
And rock n roll by the light of the silvery moon  
Cause I love her, and she loves me  
Oh how happy now we can be  
Makin love undernesth the appletree...

She's my one and only, she's my hearts desire  
She's a real upseter she's a real life wire,  
Everybody turns when my baby walks by  
She's something to see, she really catches the eye  
That's why I love her, and she loves me  
Oh how happy now we can be  
Makin' love underneatn the appletree...
