

Lasgo, Gone

Is there something I don't know
All the secrets you won't show
Even after all this time
You cheat on me to temper fine
You know I can't stand you any more
Every single moment I was there for you
All you ever did was be untrue
Ups, you're gone
Just play a games with someone else
I'm done with you and yours lies
Your're so wrong to make me cry
This is the last goodbye x2
I was young and so naive
Boy you let me to believe
We would stand to test our time
You've sad you'll be forever mine
Just give me your key before you leave
Every single moment I was there for you
All you ever did was be untrue
Ups, you're gone
Just play a games with someone else
I'm done with you and yours lies
Your're so wrong to make me cry
This is the last goodbye x2
