## Lasgo, Out Of My Mind

i've been waiting for tonight you give me fever deep inside it's you and me together i feel it in my soul we can last forever you just make me loose control! i can get you out of my mind it's silly but i think about you all the time all you have to do is give me a sign to make me fall in love, love, lo-o-ve i can get you out of my mind it's silly but i think about you all the time all you have to do is give me a sign to make me fall in love, love, lo-o-ve when you dancing close to me it's for everyone to see it's you and me together i feel it in my soul we can last forever you just make me loose control! it's you and me together i feel it in my soul we can last forever you just make me loose control! i can get you out of my mind it's silly but i think about you all the time all you have to do is give me a sign to make me fall in love, love, lo-o-ve i can get you out of my mind it's silly but i think about you all the time all you have to do is give me a sign to make me fall in love, love, lo-o-ve
