

# Lash, Dont Ever Make My Mind Up

you & me  
we always find a way to disagree  
but i - i dont wanna change  
dont ever make my mind up

i want to make you see  
things your way dont suit me  
you think im history  
you gotta be dreamin  
im doin my own thing

hey, hey, hey  
dont ever make my mind up  
hey, hey, hey  
dont ever make my mind up  
ever make my mind up  
ever make my mind up

why, do i try  
you never wanna see the things from my side  
but i - i dont wanna change  
dont ever make my mind up

i want to make you see  
things your way dont suit me  
you think im history  
you gotta be dreaming  
im doin my own thing
