

LaShun Pace, For My Good

Things I've gone through in life I thought was too hard for me to bear
The enemy tried some time to make me feel just like God did not care
But I remember reading in God's Word where He wouldn't put more on me than I could

Now I know it was for good, but for His Glory
For my good, yes it was, but for His Glory
For my good, all that I've endured, but God gets the Glory.

For my good, yes it was, but for His Glory
For my good, yea, yea, yea, but for His Glory
For my good, all that I've endured, um, um, um
All the hurt
All the pain
All that I've endured.....
All the tears in the midnight hour
All that I've had to endure in my life
Everything you ever had to face in your life
All that you have endured
Is for your good, but for His glory, yeah, yeah, yeah
All I have endured yeah.....

BRIDGE

For my good (4xs)
Didn't see it then, but
For my good (2xs)
All that I've endured
But God gets the Glo-----
God gets all the Glory.
