

Last Winter, Girl Next Door

You say...

You say...

Well we both know that you're no good at pretending that this is all we'll ever be.

I know you know that you've always been so much more than the girl next door.

Say you love me (say you love me).

You always kept me waiting.

Just say you love me (say you love me).

I'll always be here waiting.

It's a bit more complicated than boy meets girl, this boy and girl.

We've always had our friendship here to hold on to.

I'd give it all away to hear you...

Say you love me (say you love me).

You always kept me waiting.

Just say you love me (say you love me).

I'll always be hear waiting.

You say you love me, and we both know its more.

You say...

You say...

Just throw your arms around me now and

Say you love me, (say you love me).

You always kept me waiting.

Just say you love me (say you love me).

I'll always be here waiting.

It's a bit more complicated than boy meets girl, this boy and girl.

We've always had our friendship here to hold on to.

I'd give it all away to be with you.
