

# Latif, Love In The First

Oh no  
Oh baby  
Said I mean it when I say  
Said I mean what I say  
Listen baby  
See the one thing that I know  
Is that you're incredible  
The only thing I'm guilty of  
Is tryna give you too much love  
So don't try to put that on me  
Ain't no other girl I'm tryna see  
Girl I'm telling you  
You are my everything  
Yes you are  
Yes you are baby  
See baby you are everything I need  
So why would I throw that away?  
(Love in the first, put love in the first)  
And everything I do is to show you  
Just how much you mean to me  
(Love in the first, put love in the first)  
So if I stand accused of loving you  
Then I'm guilty  
(Love in the first, put love in the first)  
So take me in, and whoop me  
(Love in the first, put love in the first)  
Now it seems you're charging me  
With something I ain't tryna be  
So if I take a lesser plea  
Said you can lock me up and throw away the key  
So Your Honor, I'm sorry  
guilty of love, my baby  
You can throw the book at me, ooh  
I'm telling you  
You are my everything  
Baby you are my  
See baby you are everything I need  
So why would I throw that away?  
(Love in the first, put love in the first)  
And everything I do is to show you  
Just how much you mean to me  
(Love in the first, put love in the first)  
So if I stand accused of loving you  
Then I'm guilty  
(Love in the first, put love in the first)  
So take me in, and whoop me  
(Love in the first, put love in the first)  
Minolo Blahnik, Laura Biagiotti  
Them the only girls that get my dough  
And I wouldn't care, if you didn't wear it  
Cause it's you that I cherish  
I can't believe that you don't know  
So while you bugging  
you're the only girl, that I'm loving  
Baby I ain't tricking no more  
If you're gonna charge me, then do it  
If not, don't accuse me  
Baby, I'm only guilty of loving you  
See baby you are everything I need  
So why would I throw that away?  
(Love in the first, put love in the first)  
And everything I do is to show you  
Just how much you mean to me  
(Love in the first, put love in the first)

So if I stand accused of loving you  
Then I'm guilty  
(Love in the first, put love in the first)  
So take me in, and whoop me  
(Love in the first, put love in the first)  
Love in the first degree  
See baby you are everything I need  
So why would I throw that away?  
(Love in the first, put love in the first)  
And everything I do is to show you  
Just how much you mean to me  
(Love in the first, put love in the first)  
So if I stand accused of loving you  
Then I'm guilty  
(Love in the first, put love in the first)  
So take me in, and whoop me  
(Love in the first, put love in the first)  
Love in the first degree, yeah
