

# Laura Branigan, Forever Young

(Marian Gold/Frank Mertens/Bernhard Lloyd)

Let's dance in style let's dance for a while  
Heaven can wait we're only watching the skies  
Hoping for the best but expecting the worst  
Are you gonna drop the bomb or not?

Let us die young or let us live forever  
We don't have the power but we never say never  
Sitting in a sandpit life is a short trip  
The music's for the sad men  
Can you imagine when the space is one  
As we turn our faces into the sun  
Praising our leaders we're getting in tune  
The music's played by the mad men

Forever young  
I want to be forever young  
Do you really want to live forever?  
Forever and ever

Forever young  
I want to be forever young  
Do you really want to live forever?  
Forever, forever young

Some are like water some are like the heat  
Some are the melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?  
It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth's like diamonds in the sun  
And diamonds are forever  
So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams waiting out of the blue  
We'll let them come true

Forever young  
I want to be forever young  
Do you really want to live forever?  
Forever and ever
