

Laura Branigan, Unison

(Bruce Roberts/Andy Goldmark)

Somewhere tonight become alive
Two hearts at night
We're one of a kind
Here we are undivided by anything
Just you and I
We've come so far no one else could ever
Steal away what we confide
Who wants to know?

We stick together we're never apart
Everybody knows who we are
Because we are one
We do it in unison

The look in your eye
The flash of your smile
Never too shy
Playin' ever so wild
Baby here we are I'm relying on
No one else
But you and I
We've come so far
No one else could ever steal away what we confide
Who wants to know?

We stick together we're never apart
Everybody knows who we are
Because we are one We do it in unison
We've come together and stronger we are
Just when the world tries to tear us apart
We go on as one We do it in unison

You and me
As one
We stay together
We stay together
Unison

Baby here we are undivided by
Anything just you and I
We've come so far
No one else could ever steal away what we confide
Who wants to know?

We stick together We stick together We stick together we're never apart
Everybody knows who we are
Because we are one We do it in unison

We stick together we're never apart
Everybody knows who we are
Because we are one
We do it in unison
We've come together and stronger we are
Just when the world can tear us apart
We go on as one
We do it in unison
[Fade out]
