

Laura Branigan, Whatever I Do

(Mike Stock/Matt Aitken)

I fight the night
To be alone has never frightened me
Behind the light
The shadow of your memory
Oh, who are you to turn the knife
I am not your sacrifice
Who are you when I can get you out of my life?
Bet you didn't know
That I would pack away my things and go
And know it's true
Gonna get along in spite of you
Don't want to hear your alibis
Don't want your part time compromise
Who are you when I can get you out of my life?

Whatever I do wherever I go
I'm never coming back to you
Whatever you do wherever you go
I'm gonna get over you
Whatever I do wherever I go
I'm never coming back to you
Whatever you do wherever you go
I'm gonna get over you

I stand alone
Another victim of your fantasies
I face the world, ooh
I'm searching for my destiny
Oh, who are you to tie me down
When you were not always around
Who are you when I can get you out of my life?

Whatever I do wherever I go
I'm never coming back to you
Whatever you do wherever you go
I'm gonna get over you
Whatever I do wherever I go
I'm never coming back to you
Whatever you do wherever you go
I'm gonna get over you
Over you

Oh, who are you to turn the knife
I am not your sacrifice
Who are you when I can get you out of my life?

Whatever I do wherever I go
I'm never coming back to you
I'm never commin' back babe
Whatever you do wherever you go
I'm gonna get over you
Over you
