

Laura Marano, Boundaries

Time
Doesn't seem
To let me win

I'm
Trying to be
Too many things

I'm learning
boundaries
I know it's my fault that I'm without these
I just wanna make em
feel happy
But maybe they don't even care
about me, about me

I can't give the best of me
When I'm spread so thin
Everybody wants a piece
That I can't give to them
Wish that I was better when it came to being friends
Cause when they don't see the best of me
They don't see me again

The best of me, the best of me
They don't see me again
When they don't see the best of me
They don't see me again

Trying
To control
What's under my skin

Finally
At a point
I've given all I can give

I'm learning
boundaries
Making sense of what I want around me
I never hear em asking bout what I need
Maybe they don't even care
about me, about me

I can't give the best of me
When I'm spread so thin (I'm spread so thin)
Everybody wants a piece
That I can't give to them (I can't give to them)
Wish that I was better when it came to being friends (ooh)
Cause when they don't see the best of me
They don't see me again (They don't see me again)

The best of me, the best of me
They don't see me again
When they don't see the best of me
They don't see me again

Ooh ooh
Ooh ooh
Ooh ooh (no oh oh)
Ooh ooh (no oh)

I can't give the best of me
When I'm spread so thin (I'm spread so thin)

Everybody wants a piece
That I can't give to them (I can't)
Wish that I was better when it came to being friends (Came to being friends)
Cause when they don't see the best of me
They don't see me again (they don't see me again)

The best of me, the best of me
They don't see me again
When they don't see the best of me
They don't see me again

The best of me, the best of me
They don't see me again
When they don't see the best of me
They don't see me again
