

Laura Nyro, Luckie

Yes, I'm ready, so come on, Luckie.

Well, there's an avenue of Devil who believe in stone.

You can meet the captain at the dead-end zone.

What Devil doesn't know is that Devil can't stay, doesn't know he's seen his day.

Oh, Luckie's taking over and his clover shows.

Devil can't get out of hand cause Luckie's taking over and what Luckie says goes.

Dig them potatoes if you've never dug your girl before, poor little Devil,

He's a backseat man to Luckie forever more.

Yes, I'm ready, so come on, Luckie, Luckie inside of me, inside of my mind, inside of my mind.

Don't go falling for Naughty. Don't go falling for Naughty, he's a dragon with a double bite.

Sure can do his shortchanging out of sight.

An artist of a sort but a little bit short of luck, this lucky night.

Oh, Luckie's taking over and his clover shows.

Devil can't get out of hand cause Luckie's taking over and what Luckie says goes.

Dig them potatoes if you've never dug your girl before, poor little Naughty,

He's a backseat man to Luckie forever, a backseat man to Luckie forever more, hey, hey, hey.

It's a real good day to go get Luckie, go get Luckie.

I'm gonna go get Luckie, I'm gonna go get Luckie.

I'm gonna go get, I'm gonna go get, you gotta go, get on down and get away.

You gotta go, get on down and get away. You gotta go, get on down and get away.

You gotta go, get on down and get away from you, hey hey, from you, yes,

Yes, I'm ready, yes, I'm ready, ready for Luckie.
