

# Laura Pausini, Surrender

I can't pretend anymore  
That I'm not affected, I'm not moved  
I can't lie to myself, that I'm not, always thinking of you  
You make me strong  
You show me I'm not weak to fall in love  
When I thought I'd never need, now I can't get enough

I always made it on my own  
I always talk that I would keep control  
You changed everything I believe in  
Now I just can't fight this feeling baby

I raise my hands and I surrender  
'Cause your love is too strong, and I can't go on  
Without your tender arms around me  
I raise my hands and I surrender  
I don't wanna resist, 'cause your touch and your kiss  
Have shattered my defenses  
I surrender

I have to admit that I  
Never thought I'd need someone this way  
'Cause you opened my eyes, so that I can see so much more

I always made it on my own  
I always talk that I would keep control  
You changed everything I believe in  
Now I just can't fight this feeling baby

I raise my hands and I surrender  
'Cause your love is too strong, and I can't go on  
Without your tender arms around me  
I raise my hands and I surrender  
I don't wanna resist, 'cause your touch and your kiss  
Have shattered my defenses  
I surrender

I surrender to this feeling in my heart  
I surrender to the safety of your arms  
To the touch of your lips  
To the taste of your kisses

I raise my hands and I surrender  
'Cause your love is too strong, and I can't go on  
Without your tender arms around me

I surrender  
I raise my hands and I surrender  
'Cause your love is too strong, and I can't go on  
Without your tender arms around me

I surrender  
I can't pretend anymore  
I can't lie to myself that I'm not always thinking of you
