

Laura Pausini, Surrender

I can't pretend anymore
That I'm not affected, I'm not moved
I can't lie to myself, that I'm not, always thinking of you
You make me strong
You show me I'm not weak to fall in love
When I thought I'd never need, now I can't get enough

I always made it on my own
I always talk that I would keep control
You changed everything I believe in
Now I just can't fight this feeling baby

I raise my hands and I surrender
'Cause your love is too strong, and I can't go on
Without your tender arms around me
I raise my hands and I surrender
I don't wanna resist, 'cause your touch and your kiss
Have shattered my defenses
I surrender

I have to admit that I
Never thought I'd need someone this way
'Cause you opened my eyes, so that I can see so much more

I always made it on my own
I always talk that I would keep control
You changed everything I believe in
Now I just can't fight this feeling baby

I raise my hands and I surrender
'Cause your love is too strong, and I can't go on
Without your tender arms around me
I raise my hands and I surrender
I don't wanna resist, 'cause your touch and your kiss
Have shattered my defenses
I surrender

I surrender to this feeling in my heart
I surrender to the safety of your arms
To the touch of your lips
To the taste of your kisses

I raise my hands and I surrender
'Cause your love is too strong, and I can't go on
Without your tender arms around me

I surrender
I raise my hands and I surrender
'Cause your love is too strong, and I can't go on
Without your tender arms around me

I surrender
I can't pretend anymore
I can't lie to myself that I'm not always thinking of you
