

# Laura Tesoro, Never Let Me Down

You got a hold on me  
You take control of me  
Just don't let go of me  
I don't wanna lose you

You got my head spinning  
Quit all the bad thinking  
Want you to last with me  
I don't wanna lose you

Hold on me  
Take control of me  
Don't let go of me  
Oh, never let me down

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down  
Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down

Don't have to say nothing  
You got my mind running  
Feel like I'm free falling  
I don't wanna lose you

You got my head spinning  
Quit all the bad thinking  
Want you to last with me  
I don't wanna lose you

Hold on me  
Take control of me  
Don't let go of me  
Oh, never let me down

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down

D-D-D-D-Down, never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down  
Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down  
Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, down  
D-D-D-D-Down, never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down

Give me higher ground  
Baby, lift me higher now  
Now turn me right around  
Never let me down
