

Laurel Aitken, Baby Please Dont Go

Baby please dont go, baby please dont go
Cause I love you so
Baby please dont go, baby please dont go
Cause I need you so
Baby if you go, you will hurt me so

Baby please dont go, baby please dont go
Cause I love you so, cause I want you so
Every day my love for you gets stronger and my needs get longer
Dont go, dont go

Baby please dont go, baby please dont go
cause I love you so
Every time I think of you my temperature get higher and higher, and higher
Please dont go

Baby please dont go cause I love you so
Baby if you go, you will hurt me so
Cause I love you, I love you, I love you, I love you, I love you
More than anything else in the world
Dont go, baby, please, please dont go
