

# Laurent Wolf, No stress 1

I dont wanna work today  
Maybe I just wanna stay  
Just take it easy cause theres no stress.  
I know its not an awful crime,  
Something special in my mind,  
Nothings gonna cause me distress.  
I text my baby on her phone,  
Try to get her sexy body on  
Thats the way I wanna spend my day.  
Got to find an alibi  
Cause I dont wanna waste my time  
I dont wanna feel distress.  
Its not that Im lazy  
I think Im just crazy  
Its not that Im lazy  
I think Im just crazy  
Its not that Im lazy  
Think Im just crazy  
Its not that Im lazy  
Im just crazy  
No stress  
I think Im just crazy  
No need to fight against the feelings  
Because the life is not depressing  
No need to fight against the feelings  
Because the life is not depressing  
[instrumental]  
No stress  
Oohoo
