

Lauryn Hill, I Remember

I remember
When you looked into my eyes
You saw
Right through me

And I could not hide
I was exposed
Just like a child

All of my heart
You hold in your hands
I'm yours to command
I'm yours to command

I feel so humbled
With you in my life (2x)

I remember
When I looked into your eyes
I saw
A reflection of my myself

And I could not lie
Out of control
Too weak
To deny

All of myself
Is naked before you
But what can I do?
There's nothing I can do

I feel so beautiful
With you in my life (2x)

I remember...
With you in my life...
