Lauv, All 4 Nothing (I'm So In Love)

I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Third of October
We were never sober
First few times that we hung out but we fell in love somehow
First time that I met you
I didn't have a damn clue
That I love everything about you
Now I can't think of life without you

Ehh
Did you know that you're my whole heart?
Ehh
Did you know that I never stop, no
Giving you everything I got 'cause I'm so

I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Yeah I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Yeah
I'll never go back, I'll never go
Now that I know that, now that I know
I'll never leave you by your own
When you cry baby I'll be there oh

Ehh
Did you know that you're my whole heart?
Ehh
Did you know that I never stop, no
Giving you everything I got 'cause I'm so

I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Yeah I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Ehh
Did you know that you're my whole heart?
Ehh
Did you know that I never stop, no
Giving you everything I got 'cause I'm so

I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on

I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing

Yeah I'm so in love, I'm so in love
I don't ever wanna stop this ride that we're on
I don't ever wanna say goodbye
Cause then all of those nights
They would just be all for nothing
Yeah
