

Lauv, Sad Forever

daydream

life feels like a daydream

and I jts whis that I could wake up

I just wish that I could wake up

my mind whispers in the nighttime

voices always keeping me up

telling me that I should give u

cause lately I've been in the backseat to my own life

trying to take control but I don't know how to

I don't want to be sad forever

I don't want to be sad

I don't want to wake up and wonder what the hell am I doing this for

I don't ant to be medicated

I don't want to be sad

I don't want to be sad

I don't want to be sad anymore

I don't want to be sad forever

I don't want to go more day

I don't want wake up and realized everything's gount to be okay

I don't know how else to say it

I don't want to go through the war

I don't want to be sad

I don't want to be sad

I don't want to be sad anymore

I;m coming through to the other side

I'll make it through to tomorrow

cause that's all I can do today

cause lately I've been in the backseat to my own life

trying to take control but I don't know how to

I don't want to be sad forever

I don't want to be sad

I don't want to wake up and wonder what the hell am I doing this for

I don't ant to be medicated

I don't want to be sad

I don't want to be sad

I don't want to be sad anymore

I don't want to be sad forever

I don't want to go more day

I don't want wake up and realized everything's gount to be okay

I don't know how else to say it

I don't want to go through the war

I don't want to be sad

I don't want to be sad

I don't want to be sad anymore

sad anymore

sad anymore

I don't want to be sad forever

I don't want to be sad

I don't want to wake up and wonder what the hell am I doing this for

I don't ant to be medicated

I don't want to be sad

I don't want to be sad

I don't want to be sad anymore

I don't want to be sad forever

I don't want to go more day

I don't want wake up and realized everything's gount to be okay

I don't know how else to say it
I don't want to go through the war
I don't want to be sad
I don't want to be sad
I don't want to be sad anymore
