

# Lauv, There's No Way (ft. Julia Michaels)

You touch me and it's almost like we knew  
That there will be history between us two  
we knew somebody we would have regrets  
but we just ignored them the night we met  
we just dance backwards into each other  
trying to keep our feelings secretly covered  
you touch me and it's almost like we knew  
that there will be history

there's no way that it's not going be there  
with the way that we're looking at each other  
there's no way that it's not going be there  
Every second with you I want another  
but maybe we can hold on one sec  
so we can keep this tension in check  
but there's no way that it's not going be there  
with the way that we're looking at each other

I wish I could make the time stop  
so we could forget everything and everyone  
I wish that the time would line up  
so we could just give into what we want  
cause when I got somebody you don't  
and when you got somebody I don't  
I wish that the time would line up  
so we could just give in

there's no way that it's not going be there  
with the way that we're looking at each other  
there's no way that it's not going be there  
Every second with you I want another  
but maybe we can hold on one sec  
so we can keep this tension in check  
but there's no way that it's not going be there  
with the way that we're looking at each other

we just dance backwards into each other  
trying to keep our feelings secretly covered  
we just dance backwards into each other  
trying to keep our feelings secretly covered

there's no way that it's not going be there  
with the way that we're looking at each other  
there's no way that it's not going be there  
Every second with you I want another  
but maybe we can hold on one sec  
so we can keep this tension in check  
but there's no way that it's not going be there
