

Laza Morgan, One By One (ft. Mavado)

Wooh woohhh
Girl put yuh body on me
(Woohhh woohhh) (Yeahh)

Baby girl you look so good tonight, good tonight, good tonight
Seeing
you dance and the flashin lights, flashin lights, flashin lights
Dancefloor pack full of people(people)
Yuh and I in the middle
And the DJ is playing our favourite songs

One by one
I'm feeling your heartbeat
Pulling me closer closer
One by one
With every touch I'm feeling it stronger, stronger
One by one
I Believe you and me
We're falling in love
With all the faces are fading around us
(One by one)
Woohhh Wohohhh, one by one, wooh woohh(girl put u body on me)

Baby when we leave this club tonight, club tonight, club tonight I wanna see your face in the mornin
How you feel do you wanna refill or do you just wanna stay right
While the dj playing our favourite songs

One by one
I'm feeling your heartbeat
Pulling me closer closer
One by one
With every touch I'm feeling it stronger, stronger
One by one
I Believe you and me
We're falling in love
With all the faces are fading around us
(One by one)

Girl I'm gonna make you wet
Till you can't wet no more(lady)
I'm a gotta make you feel my lovin on the floor(weh wi seh)
She feel the sweetest pain
She a say har likkle boyfriend lame
So she want a real man take her for a tour
Yeah, let's ride to the east to the mansion
You've been, waiting for me long long
So mi play her favourite song (everytime)

One by one
I'm feeling your heartbeat
Pulling me closer closer
One by one
With every touch I'm feeling it stronger, stronger
One by one
I Believe you and me
We're falling in love
With all the faces are fading around us
(One by one)
Woohhh Wohohhh, one by one, wooh woohh(girl put u body on me)
