

# Lazee, Hold On

i sing now, for all of you  
with no one to hold on to  
for all the broken hearts out there  
waiting for someone to be near  
hold on, (this is so du-umb), hold on  
to my people listen up  
when i miss somebody  
when she need somebody  
when she had somebody  
somebody to somebody  
that made you feel like somebody  
that somebody is calling  
you need somebody  
heartbroken ive been indeed  
elevated so unrated understandin what seems?  
whenever i miss that someone  
i try not to think hard cuz then the tears come  
and the rears run down your cheek  
you cant speak bububut sudden sudden then the pain increase  
cuz youre messed up, fed up, stessed up  
cuz theyre up and down and messed up  
yeah what, dont cry my dear  
i swear im near, i care  
im here, right here  
baby not, your in the circle of my focus  
i wont let you know your love is here, right here?  
i sing now, for all of you  
with no one to hold on to  
for all the broken hearts out there  
waiting for somebody to be near  
to my people listen up  
when i miss somebody  
when she needs somebody  
when she had somebody  
somebody to somebody  
that made you feel like somebody  
that somebody is gone  
that need somebody  
sixteen and my knees hasnt gone wild  
my good friend homie Big Phil had to die  
i had to fill a room, wrote song - performe  
first time someone close to me was gone  
i need a lover and i feel like i need it and yes i  
i need the strenght to put me thru  
so i had to (hold on) to my emotions  
and remember my dues  
now twenty-two, kinda grown man  
so i made some i had some i lost friends  
at the end i got to (hold on) to the ones  
that are loyal and will ride to the e-e-end  
i sing now, for all of you (just listen up out there)  
with no one to hold on to  
(dont feel like you are alone outthere)  
for all the broken hearts out there (im here)  
waiting for someone to be near  
to my people listen up  
when i miss somebody (hold on) so du-umb  
sometimes i gotta, sometimes you gotta  
sometimes you gotta (hold on)  
i sing now, for all of you  
with no one to hold on to (shout out to the beautiful)  
for all the broken hearts out there  
(neverstore... the only and only)  
waiting for someone to be near

i sing now, for all of you  
with no one to hold on to  
for all the broken hearts out there  
waiting for someone to be near (sh-sh-yeah)  
hold on (this is so dumb)
