

# Lazlo Bane, Peace Is Our Profession

Know you've heard it all before  
You can't believe everythin' you hear  
I never trusted you  
God please help  
Do you know who's side your on  
Cause when it all hits the fan  
You're gonna need a friend to  
Put your faith in  
You were the first to cast the stone  
You can hear them saying  
Peace is our profession  
but we all love the bomb  
It's a strange kind of  
Peace is our profession  
But we all love the bomb  
It's a strange kind of love  
Don't forget to say your prayers  
Somethings gone very wrong down here  
Dear john is on the way  
God please say  
We were the first to cast the stone  
You can hear them saying  
Peace is our profession  
But we all love the bomb  
It's a strange kind of  
Peace is our profession  
But we all love the bomb  
It's a strange kind of love  
(humming)  
The doom device is set to go  
Where will your garden grow?  
We were the first to cast the stone  
Now we're all here singing  
Peace is our profession  
But we all love the bomb  
It's a strange kind of  
You know that these are our confessions  
That we all love the bomb  
It's a strange kind of love  
It's a strange kind of love
