

# Lazlo Bane, Prada Wallet

Wiggle in the middle  
just a little  
It'll help you forget  
That you ever thought you wanted  
to be flaunted  
with a prada wallet  
Loan me  
you can show me  
that you know me  
'Cause you sure haven't yet  
Chorus:  
Happy birthday baby  
Guess what you didn't get  
In addition  
While you're wishin'  
Keep on fishin'  
For that prada wallet  
Chorus  
(two hundred and fifty dollars?!)
